**17th Annual
2008 Resident/Commuter
Soccer Camp
For Boys & Girls
Ages 9-18**

CAMP PROGRAM

This is the camp for the soccer player who strives to be the best soccer player they can be, for the player who aspires to play and make an impact on their high school team, and for the player who dreams of playing at the college level and beyond. Rick Benben's UMKC Soccer Camps give both boys and girls the opportunity to improve all aspects of their individual game as well as their concept of team tactics. Players will be grouped by age and skill level. Goalkeepers will receive special training.

Youth soccer players who love soccer and are committed to improving their individual and game skills are the focus of our camp. Campers will learn from coaches who know what it takes to be a top-level player and will help each player improve their game in a competitive, enjoyable environment. Players benefit from Benben's 30+ years of experience and success in developing youth players at all levels and Fred Schlichting's 10+ years of coaching at the collegiate and competitive youth levels. A ratio of one coach to every 10 campers is used.

CAMP LOCATION

**University of Missouri - Kansas City
Kansas City, Missouri**

Training and games are conducted on the well-kept soccer field of UMKC's campus and indoors at Swinney Recreation Center. Campers are accommodated in suites in the state-of-the-art **Oak Street Residence Hall at UMKC**. There will be two campers per room sharing a bathroom with two additional campers.

SAME CAMP ... NEW NAME....

After 8 years of camp partnership, Jon Parry has made the difficult decision to step away from the day to day obligations of our Resident camp. With a very demanding job with the Blue Valley Stars Soccer Club, July is the one month when Jon can enjoy a break in his schedule. Our hope is that Jon will be able to continue to attend camp on a more limited basis, and that we can look forward to having Dominick continue to be part of our camp family, joined by Anna and Andrew in future years!
